Sir,

Subject - Amendment of byelaws for the grading of eggs so as to enhance the rate of egg grading fee from 0-1-6 to 3 annas per 100.

Adverting to G O No L 1882-4/M1 67-46-43 dated 2-8-1947 approving the bylaws framed for the grading of eggs under Section 51(1) (a) of the Mysore City Municipalities Act 1933, I have the honour to state that the Chief Marketing Officer to the Government of Mysore suggested in his letter No MD (1)47-48 dated 7-7-1948 that as the existing rate of fee for grading of eggs at 0-1-6 per 100 was very low when compared with the present market value for 100 eggs and the heavy expenditure that was being incurred for the maintenance of the establishment(at Mysore), it was desirable that the minimum fee prescribed may be enhanced from 1½ annas to 3 annas per 100 eggs

The Council before whom the subject was placed at their meeting held on 11-9-1948 approved of the proposal to amend the rate of egg-grading fee from 1½ annas to 3 annas for every 100 or part of 100 eggs As no objections were received in response to the notification dated 15-9-1948, the Council finally approved of the amendment and recommended the same for sanction at their meeting held on 2-4-1949

In enclosing a copy of the resolution of the Council I request you kindly to obtain orders of Government approving

the amendment to Rule 2 of the Rules approved by inserting '3 annas' in lieu of 'one and half annas' occuring in the penultimate line of the 2nd para of the byelaw

Yours faithfully,

P. Venkata Ramaiya
